

## Terms of Use

These Terms of Use define the relationship between the user (hereinafter referred to as "User") of this application provided by our company and our company. These terms apply to all interactions and relationships that arise from the use of this application.

The use of this application is governed by these Terms of Use and any additional terms set forth by our company. Regardless of their titles, such additional terms form part of these Terms of Use. In the event of any discrepancies between these Terms of Use and other terms, unless explicitly stated otherwise, the provisions of these Terms of Use will take precedence.

By downloading, installing, or using this application, the User is considered to have agreed to all the contents of these Terms of Use.

### ### Article 1 (Definitions)

- **\*\*This Application\*\***: The service provided by our company.
- **\*\*User\*\***: The individual who uses this application.

### ### Article 2 (Ownership of Rights Such as Copyrights)

All copyrights and other intellectual property rights related to this application are owned by our company or a third party with legitimate rights.

### ### Article 3 (Responsibility and Duty of Care)

The User uses this application at their own risk and assumes full responsibility for all actions taken while using the application, including any resulting damages. The User indemnifies our company from all disputes, claims for damages, or other liabilities arising from the use of copyrighted works belonging to other users or third parties.

### ### Article 4 (Privacy)

Our company acquires only the minimum necessary information from the User for the provision of this application. We take maximum care in protecting the privacy of the information obtained from the User.

### ### Article 5 (Disclaimer)

1. The User is responsible for any data downloaded through this application, and our company assumes no responsibility for such data. Even for personal use, the application must be used in compliance with applicable

laws, including but not limited to the Criminal Code and Copyright Law.

2. Our company is not obligated to provide maintenance, functional modifications, or technical support related to this application.

3. All intellectual property rights related to content such as videos, audio, and images belong to their respective authors or organizations.

### ### Article 6 (Changes to the Service)

Our company reserves the right to add, modify, suspend, or terminate the service at any time for any reason. Our company assumes no responsibility for the loss of any accumulated or recorded data and files due to such changes, suspensions, discontinuations, or other unforeseen circumstances, regardless of the User's responsibility. Our company is also not liable for any damages incurred by the User due to the deletion of data.

### ### Article 7 (Amendment of the Terms)

Our company may amend these terms without the User's consent due to changes in laws, regulations, or other circumstances. The revised terms will take effect once they are displayed in this application.
